COMPTROLLER'S MEMORANDUM NO. 1989-16

TO: Heads of Departments and Agencies
ATTN: Risk Management Coordinators
FROM: Russel Nagata, Comptroller
SUBJECT: Claims for Loss of State Property

Losses and damages to State property, including those in its care, custody and control, are costly and disruptive. They deprive the State of the use of the property and cause disruptions of services to the public. The State Risk Management Revolving Fund (SRMRF) was created under the Risk Management Program to minimize these disruptions by making funds available to pay for these losses and restore services as soon as possible.

In addition to property loss, SRMRF will finance automobile no-fault, and tort claims up to \$10,000. The following table summarizes the exposures financed by SRMRF:

<u>INCIDENT</u>	<u>LOSS</u>	<u>C O V E R A G E</u>	
		<u>SELF-INSURED</u>	<u>EXCESS</u>
Auto	Bodily Injury/ Property Damage	No-Fault	Insurance
Fire & Other Casualties	Bldg. & Content Equipment	\$250,000* Value	Insurance -
Theft	Money Equipment	\$ 10,000* Value	Insurance -
Tort	Bodily Injury/ Property Damage	\$ 10,000*	Legislature

Procedures for reporting and filing of Auto and Tort claims have been covered under Comptroller's memorandums entitled "State Auto Fleet Liability Insurance Program" dated June 1, 1988 and "Tort Claims Against the State" dated October 1, 1988, respectively. Procedures for reporting and filing of claims for property loss or damage are covered under this memorandum and shall take effect on July 1, 1989.

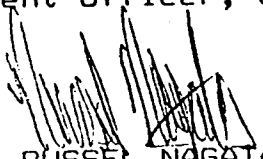

For a loss or damage of State property, including property in its care, custody or control, resulting from theft, fire and other casualties, to be financed by SRMRF, a claim must be filed with the Risk Management Program. A claim is made by submitting a completed Form RMP-001, LOSS OR DAMAGE OF STATE PROPERTY. Please refer to the attached form.

This form is used to report all property losses or damages, except losses or damages resulting from automobile accidents. (Automobile accidents are to be reported on the ACORD Automobile Loss Notice.) Part 1 is to be prepared by the employee or the supervisor of the employee who discovered the lost or damaged property. Parts 2 and 3 are to be prepared by the immediate supervisor having authority or control over the lost or damaged property. The form should be reviewed and signed by the departmental risk management coordinator before filing it with the Risk Management Program.

Other forms or information may be requested to assist in loss control and in the investigation and settlement of the claim.

The claimant's department will be notified that the claim has been reviewed and the replacement or restoration of the property will be financed by SRMRF. Funds can either be transferred to the department by journal voucher or direct payment can be made to the vendor. It will be the responsibility of the department to follow proper procurement procedures under the law.

If you should have any questions, please contact Mr. John Takamune, Risk Management Officer, at 548-3214.
